

Thanks Faust[®]

for their donation of a Drama course (1 term). You can bid for this item in the Auction (see back page)

Faust introduces our students to a world of theatre and creativity, guiding them in developing their performance skills, theatre knowledge, teamwork, individual expression and confidence. Faust enriches the creative world of our students and imparts on them a colourful and positive approach to learning.

Development from one season to the next is our target. At Faust, learning is just as important as the performing. In fact **commitment**, rather than talent, is the key, and those registered should be keen on taking part.

Faust International Ltd consists of Faust International Youth Theatre, Faust Summer Programme and Faust Educational Services.

All our programmes are taught by experienced and qualified leaders who bring a wealth of personal experience and expertise to the group.
