

THE 2007 JACKET PROGRAM
Distribution Process
(17 December 2007)

3 of our partners joined us for local visit & jacket distribution

Please help me relocate jackets
for later distribution.

This trip allowed me to realize
how fortunate I am to be able
to help the needy children.

Do good Feel good

I can't believe one of these is mine to keep.

It looks great for greeting the upcoming Chinese New Year.

Of course, this jacket will keep you warm and look nice on you.

I'm loving it. Miss Blondie, you're right - I look cool.

This hand-made card conveys my heartfelt thanks for your warm visit.

Our/Your contributions are well rewarded by their creative thank-you cards.

Our success is **only** possible
when we have caring partners
