

Term-time Creative Writing Begins April 14th

We aim to give children a dedicated time to focus on their writing, to share their ideas and to learn new things. Our courses help children to:

- Learn how to express themselves through writing
- Develop their imagination
- Be empowered to make strong choices with their writing
- Learn new writing techniques
- Allow ideas to flourish
- Increase their confidence

Under the careful instruction of our experienced creative writing teachers, students will look at different aspects of creative writing including: dialogue, poetry, descriptive techniques, genre writing and the use of metaphors and similes.
