About our Holiday Programmes

Holiday Theatre

For ages 4 to 15

Children will explore different aspects of the performing world by learning and practising drama skills using different themed stories as inspiration. Activities are engaging and challenging, and focus on providing children with a sense of achievement and a boost of creativity and confidence. Most importantly, our workshops are designed to be fun and enjoyable for all! At the end of the week, children will present what they have learned in an open session for family members.

Creative Writing

For ages 6 to 13

Our small group writing courses unlock the creative potential of our young writers. Through a series of writing challenges and exercises, we encourage students to express their own ideas and stories, teaching them various writing techniques such as figure of speech, literary tropes and more with plenty of individual feedback. Each child will build up their own portfolio of work to share with parents by the end of the week.

Musical theatre

For ages 8 to 12

Our musical theatre workshop is a great way for those interested in singing, dancing and acting to hone their skills to becoming a triple threat. Throughout the week, members will learn how to become familiar with their voice and vocal range, act out parts of a script and song, and learn choreography. This will all culminate towards a small showcase at the end of the week, where members will be able to perform their songs in front of family and friends!
