Join our exciting Holiday Programmes to develop your child's confidence, performance and writing skills!

# About our Holiday Programmes

## Holiday Theatre For ages 3 to 15

Children will explore different aspects of the performing world by learning and practising drama skills using different themed stories as inspiration. All activities are engaging and challenging, and focus on providing children with a sense of achievement and a boost of creativity and confidence. Most importantly, our workshops are designed to be fun and enjoyable for all! At the end of the week, photographs and an end-of-week report will be emailed to parents.

## Creative Writing For ages 6 to 13

Our small group writing courses unlock the creative potential of our young writers. Through a series of writing challenges and exercises, we encourage students to express their own ideas and stories, teaching them various writing techniques such as figure of speech, literary tropes and more with plenty of individual feedback. Each child will build up their own portfolio of work to share with parents by the end of the week.

## Play in a Day For ages 8 to 12

This is our unique one-day experience where members will work together to produce and perform their own production of *The Lion, the Witch and the Wardrobe* in a day! After some initial warm-up activities, members will begin to work on casting, characterisation, blocking and rehearsing. 7 hours later, the group performs their play. A video will be shared with parents soon afterwards. This is a great experience for actors to craft their performance skills and work as an ensemble.
